

- E. A student-athlete may not be identified (with or without permission) as an athlete, provide endorsement as an athlete or appear as an athlete in the promotion of a commercial/advertisement and/or profit-making event, item, plan, or service.
- F. A student-athlete may not participate in school athletics or in sports activities outside the school under a name other than his/her own name.

**SPORTS ACTIVITIES OUTSIDE OF SCHOOL**

Athletes may compete in not more than two non-school competitions with prior school approval during each regular sport season. The contest(s) will not count against the individual maximum for the athlete in that sport. Nonschool competition will not be allowed during the respective WIAA tournament series in a sport. Violation of this rule results in loss of eligibility for the remainder of the season (including the WIAA tournament series) and forfeiture of the two non-school opportunities.

- A. WIAA rules do not prevent athletes from practicing with nonschool teams or from receiving private skills instruction during the school season. However, they may not participate officially or unofficially (including "banditing") in more than two nonschool competitions or races, including scrimmages against other teams (with school approval).
  - (1) This restriction applies to normal nonschool games as well as "gimmicks," such as reduced numbers competition (3-on-3 basketball, 6 player soccer, e.g.), specific skill contests (punt, pass, and kick, shooting contests, free throws, 3 point, e.g.), fun runs, etc.
  - (2) During the season, athletes may participate in a skills contest with approval of the school. Specific skill contests (punt, pass, and kick, shooting contests e.g., free throws, 3 point, drive, chip and putt) isolate separate skills outside of the traditional competition setting. The skill contest may not include physical contact or extreme fatigue as the actual sport competition. Fun runs are not considered skills contests. There can be no school coach involvement. All other eligibility rules including amateur status apply.
  - (3) A student who was a member of a school team during the previous year may not delay reporting for the school team beyond the school's official opening day of practice in order to continue nonschool training and/or competition.
- B. During the school year before and/or after the school season of a sport and in the summertime, members of a school's team may voluntarily assemble with their teammates (without school and/or school coach involvement) at their own discretion.
- C. A student-athlete or his/her parents must pay 100% of the fee for specialized training or instruction such as camps, clinics, and similar programs.
- D. A student-athlete may not be instructed except during the school season of a sport and approved summer contact days by the person who will be his/her coach in that sport in the following school season. All sports except football are exempt from this rule, BUT only (a) during the summer months and (b) if the program involved is not limited to individuals who are likely to be candidates for the school team in that sport in the following season.
- E. A student-athlete must not participate in an all-star game or similar contest except for summertime activities (a) within the same league or program (e.g., softball game between divisions of same league) or (b) in which a team is selected to represent a league in post-season play (e.g., Babe Ruth league team). Some post-season all-star opportunities may be permitted for 12th graders who have completed high school eligibility in a particular sport. Check with your Athletic Director to be certain.
- F. Schools/individuals are prohibited during the regular season and the WIAA tournament series from practicing for regional, sectional, and state tournament preparation at sites and facilities hosting WIAA tournaments.

**USE OF STUDENT IMAGE**

The participation of student-athletes in school and WIAA tournaments may result in the use of student-athlete images in promotion of school and WIAA events.

***In order to facilitate good communication, all questions regarding athletic participation at your school should be addressed to your athletic administrator.***
